Multi-reaction EC number	Checks	Assignment	Action
	At least one reaction with R-group	Generic + R-group	Find chemical substituents for R-groups in the rest of reactions
	At least one reaction with wiggly bonds	Generic + stereochemistry	Find stereochemistry for wiggly bond in the rest of reactions
	Reactions have different bond changes (EC-BLAST)	Different types of reaction	
	Explore order of reactants	Partial reaction	Find overall and partial relationships
	Previous checks found no hits	Different reactants
